

## VERSES FOR FIGHTERS

From the fighters' courage,  
From the blood of battles,  
From the mourners' suffering,  
From the people's sacrifice,  
There will ripen fruits of Spirit  
If with consciousness the soul  
Turns her thought to Spirit Realms.

~ Rudolf Steiner

### **Intercessory Prayer**

Thou angel who keepest watch  
Over the destiny of \_\_\_\_\_ (person's name)  
Through waking and sleeping,  
And the long ages of time:  
May my thought, filled with hope,  
Reach to him through thee.  
May he be strengthened  
From the founts of will  
Which bear us towards freedom.  
May he be illumined  
From the founts of wisdom  
Which warm the inmost heart.  
May he feel peace  
From the founts of love  
Which bless men's work

~ Adam Bittleston
